RE: Notice of Commercial Operation of 20 MW comprising part of Phase I of the Facility

Dear Mr. Shutika,

Per section 4.1 of the Renewable Energy Contract (GS-00P-15-BSD-1148), as amended (the "PPA"), Great Bay Solar I, LLC ("Seller") hereby notifies the United States of America, acting through the Administrator of General Services, that Commercial Operation of 20 MW comprising part of Phase I of the Facility has been achieved as of the date hereof. Seller is working to complete the remainder of Phase I and Phase II of the Facility in advance of the applicable Commercial Operation Milestone for each Phase. Seller hereby reserves its right to complete the remaining portion of Phase I of the Facility in accordance with the terms of the PPA and declare Commercial Operation in respect of all or a part of the remaining capacity comprising Phase I of the Facility.

Capitalized terms used and not defined in this notice have the meaning given to them in the PPA.
